If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company expects that there will be significant changes in results of operations between 2014 and 2015, due in part to retrospective adjustments for the deconsolidation of 56.com, the online video business which the Company ceased to control on December 1, 2014, and for the classification of the Company's online games business as held for sale in 2015, as both of these businesses have been classified as discontinued operations. Therefore, the Company is unable to make a reasonable estimate of its financial results at this time.
