This license shall also be deemed to grant Licensee the right to grant third parties the right to access the features and functions of the Licensed Software hosted by Licensee. These rights include the right to authorize others to exercise these rights. This license, and all sublicenses thereto, will be limited to the Territory.

2.2 Exclusivity. Licensee will have forty-five (45) days from the date the Software was delivered to conduct the test, and Licensee may use its own internal test procedures and any sample input. No Software shall be deemed to have been accepted unless Licensee notifies Licensor that the Software has successfully passed the acceptance test . 4.2   Taxes. All amounts payable hereunder shall include all applicable sales, use and other taxes and all applicable export and import fees, customs duties and similar charges.

5.   OWNERSHIP.

5.1   Licensor understands and acknowledges that Licensee may (i) manage, modify, maintain and update pre-existing data and information, and (ii) generate, manage, modify, maintain and update additional data and information (collectively, "***Licensee Data***") using the Software. Licensee Data will be treated as Licensee Confidential Information and Licensee shall retain all right, title and interest in and to all Licensee Data.

5.2   As between the Parties, Licensee shall own all intellectual property it develops, creates, or reduces to practice, which may relate to or derive from the Software, subject to Licensor's ownership of the Software. Licensee shall have the right to interface the Software and to use it in conjunction with other software, programs, routines, and subroutines developed or acquired by Licensee. Licensor shall have no ownership interest in any other derivative works, software, program, routine, or subroutine developed by Licensee or acquired by Licensee from a third party by virtue of its having been interfaced with or used in conjunction with any Software.

6.1   Ownership of Confidential Information. The Parties acknowledge that during the performance of this Agreement, each Party will have access to certain of the other Party's Confidential Information or Confidential Information of third parties that the disclosing Party is required to maintain as confidential. Both Parties agree that all items of Confidential Information are proprietary to the disclosing Party or such third party, as applicable, and shall remain the sole property of the disclosing Party or such third party.

Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (a) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (b) to establish a Party's rights under this Agreement, including to make such court filings as it may be required to do.

7.   WARRANTIES.

7.1   Each Party hereby represents and warrants (i) that it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation; (ii) that it has the legal right and authority to enter into and perform its obligations under this Agreement; and (iii) that the execution and performance of this Agreement will not conflict with or violate any provision of any law having applicability to such Party; and (iv) that this Agreement, when executed and delivered, will constitute a valid and binding obligation of such Party and will be enforceable against such Party in accordance with its terms.

7.2   Licensor represents and warrants that the sale, licensing or use of any Software and Documentation furnished under this Agreement do not and shall not infringe, misappropriate or otherwise violate any Intellectual Property Right.

7.3   Licensor hereby represents and warrants that the Software shall be and shall remain Operative.

7.4   Licensor warrants that during the Term of this Agreement, Licensee may use Licensed Software without disturbance in accordance to the license terms set forth herein, subject only to Licensee's obligations to make the payment required by this Agreement.

7.5   In no event shall Licensor, its representatives or subcontractors or anyone acting on its behalf, disable (or permit or cause any embedded mechanism to disable) the Software owned or utilized by Licensee without the prior written permission of an officer of Licensee.

7.6   Licensor hereby represents and warrants that the Licensed Software does not contain any open source software.

7.7   Licensor hereby represents and warrants that the Licensed Software and any media used to distribute it contain no computer instructions, circuitry or other technological means ("***Harmful Code***") whose purpose is to disrupt, damage or interfere with Licensee's use of its computer and telecommunications facilities for their commercial, test or research purposes. Harmful Code shall include, without limitation, any automatic restraint, virus, worm, Trojan horse, time-bomb, trap-door or other harmful code or instrumentality that will cause the Licensed Software or any other Licensee software, hardware, or system to cease to operate or to fail to conform to its specifications.

7.8   Exclusions of Remedies; Limitation of Liability. EXCEPT WITH RESPECT TO EACH PARTY'S RIGHTS AND OBLIGATIONS UNDER SECTIONS 7 AND 8, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, REGARDLESS OF THE NATURE OF THE CLAIM, INCLUDING, WITHOUT LIMITATION, LOST PROFITS, ARISING FROM ANY SOURCE, EVEN IF THE PARTY FROM WHICH SUCH DAMAGES ARE SOUGHT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION UPON DAMAGES AND CLAIMS IS INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS AGREEMENT HAVE BEEN BREACHED OR HAVE PROVEN INEFFECTIVE.

8.   INDEMNIFICATION.

8.1   Licensor shall defend, indemnify, and hold Licensee and its employees, officers, agents, and affiliates harmless against all costs and reasonable expenses (including reasonable attorneys' fees), damages, and liabilities arising from Licensor's material breach of this Agreement or arising out of any claim by a third party that any use or distribution of the Licensed Software and/or Documentation expressly authorized under this Agreement infringes or misappropriates any Intellectual Property Rights under applicable laws, provided that, as a condition of the foregoing obligations of Licensor, Licensee gives Licensor (i) prompt written notice of such claim; (ii) authority to control and direct the defense and/or settlement of such claim; and (iii) such information and assistance as Licensor may reasonably request, at Licensor's expense, in connection with such defense and/or settlement. Notwithstanding the foregoing, Licensor shall not settle any third-party claim against Licensee unless such settlement completely and forever releases Licensee with respect thereto or unless Licensee provides its prior written consent to such settlement. In any action for which Licensor provides defense on behalf of Licensee, Licensee may participate in such defense at its own expense by counsel of its choice.

8.2   If any Software and/or Documentation furnished under this Agreement becomes, or in Licensee's or Licensor's reasonable opinion is likely to become, the subject of any claim, suit, or proceeding arising from or alleging infringement, misappropriation or other violation of, or in the event of any adjudication that such Software and Documentation infringes, misappropriates or otherwise violates any Intellectual Property Right of a third party, Licensor, at its own expense shall take the following actions in the listed order of preference: (a) secure for Licensee the right to continue using the Software and Documentation; or if commercially reasonable efforts are unavailing, (b) replace or modify the Software and Documentation to make it noninfringing; provided, however, that such modification or replacement shall not degrade the operation or performance of the Software and Documentation.

9.   TERM AND TERMINATION.

9.1   This Agreement shall apply and remain in effect from the Effective Date and continue until terminated in accordance with the terms of this Agreement (the "***Term***").

9.2   Licensee may terminate this Agreement for its convenience, without cause, at any time following full payment of the License Fee, without further charge or expense upon at least thirty (30) calendar days' prior written notice to Licensor, and Licensee thereupon shall have no further obligations under this Agreement. Licensor shall not have any obligation to refund any portion of the fees paid to it hereunder as a result of termination for convenience.

9.3 The Parties agree that all Software delivered pursuant to this Agreement and the Documentation therefore constitute "intellectual property" under Section 101(35A) of the Code (11 U.S.C. section 101(35A)). Licensor agrees that if it, as a debtor-in-possession, or if a trustee in bankruptcy for Licensor, in a case under Section 365(n) of Title 11, United States Code ("***Bankruptcy Code***"), rejects this Agreement, Licensee may elect to retain its rights under this Agreement as provided in Section 365(n) of the Code. Licensee, and any Intellectual Property Rights, licenses or assignments from Licensor of which Licensee may have the benefit, shall receive the full protection granted to Licensee by applicable bankruptcy law. The Parties further agree that, in the event of the commencement of a bankruptcy proceeding by or against Licensor under the Bankruptcy Code, Licensee shall be entitled to a nonexclusive license to the Licensed Software in Mainland China with the same rights set forth in Section 2.1 herein (except nonexclusively within Mainland China).

9.4 The licenses granted in this Agreement shall not terminate for any reason.

9.5 The rights and obligations of the Parties which by their nature must survive termination or expiration of this Agreement in order to achieve its fundamental purposes including, without limitation, the Sections 1, 2, 5, 6, 7.8, 8, 9, and 10, shall survive any termination of this Agreement.

10. GENERAL PROVISIONS.

If any provision of this Agreement is invalid or unenforceable for any reason in any jurisdiction, such provision shall be construed to have been adjusted to the minimum extent necessary to cure such invalidity or unenforceability. The invalidity or unenforceability of one or more of the provisions contained in this Agreement shall not have the effect of rendering any such provision invalid or unenforceable in any other case, circumstance or jurisdiction, or of rendering any other provisions of this Agreement invalid or unenforceable whatsoever.

10.8   Waiver. No waiver under this Agreement shall be valid or binding unless set forth in writing and duly executed by the Party against whom enforcement of such waiver is sought. Any such waiver shall constitute a waiver only with respect to the specific matter described therein and shall in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Any delay or forbearance by either Party in exercising any right hereunder shall not be deemed a waiver of that right.

10.9   Force Majeure. Except with respect to payment obligations hereunder, if a Party is prevented or delayed in performance of its obligations hereunder as a result of circumstances beyond such Party's reasonable control, including, by way of example, war, riot, fires, floods, epidemics, or failure of public utilities or public transportation systems, such failure or delay shall not be deemed to constitute a material breach of this Agreement, but such obligation shall remain in full force and effect, and shall be performed or satisfied as soon as reasonably practicable after the termination of the relevant circumstances causing such failure or delay.
